## Whitehurst Elected President of Belles

by K Montgomery

Judy Whitehurst was elected president of the Bellaire Belles, the newly formed Drum and Bugle corps at a meeting, September 8.

Other social or executive officers are Carolyn Johnson, vice-president; Mary Lyn Wilson, secretary-treasurer; and Fannie Newton, reporter.

**Military Officers**

Later in the month military officers will be selected. Heading the Belles will be a drum major and immediately under her, an assistant drum major. There will be a captain in charge of the drum corps and another in charge of the bugle corps. Both the drum corps and the bugle corps will be made up of two flights with twenty-four girls per flight, each headed by a lieutenant. Every girl will play an instrument, having a choice of drum, bugle ,bell lyre, chimes or cymbals. The Belles will have four majorettes and a color guard of nine girls.

The girls were chosen on the basis of academic standing, personal appearance and social standards. Applicants were interviewed each Saturday in August by a panel of faculty members made up of Mr. Cecil Walters, Mrs. Helen Sealy, Mrs. F. M. McClelland and Mrs. Kay Henderson and headed by Miss Charlotte Demmer, sponsor of the Belles.

**Uniforms**

The Belles attended their first meeting August 29 in the music room of the school. Mr. Andrews made a short speech congratulating the girls before turning the meeting over to Miss Demmer. A sketch of the corps' practice uniform was shown to the girls. The uniform, which consists of a red jumper, white short-sleeved blouse, black loafers and white socks, will be worn each Friday. The purpose of the organization was generalized as being of service to the school in every possible way. This includes drilling at football games and parades, sponsoring various activities, and encouraging school spirit.

At the present, the members are regarded as active reserves. One hundred and fifteen regulars will be chosen for their co-operation, enthusiasm, interest, and skill in performance. The remaining girls will be reserves and will substitute in the event of a regular's absense.

The girls who were chosen from a field of 300 applicants are: Carole Jo Allen, Donna Allen, Elna Anderson, Carol Andrew, Maurine Ansell, Carol Augat, Nancy Lee Bacon, Georgia Bennett, Tommit Berry, and Beverly Bonner.

**Members**

Jane Bowman, Barbara Brooks, Sandra Brown, Janet Buck, Patsy Buell, Carol Carter, Janice Carter, Ruthie Castor, Marie Cheatham, and Connie Coerver.

Connie Cook, Patty Coon, Glenda Cox, Paula Cox, Lynn Craddock, Pat Crawford, Judy Cunningham, Ann Day, Sally Day, and Donna Dreschel.

# Subscription Drive Starts

## Homerooms To Get $2.50 Rebate For 100 Per Cent Subscriptions

The subscription drive for the Bellaire Southerner will begin tomorrow during the homeroom period.

Sales will be conducted by Southerner representatives who were elected by each homeroom. The drive will end September 23.

A year's subscription is $1. Subscriptions will be sold for a year. The only students who will have the opportunity to subscribe at mid-term will be new students.

Homerooms that subscribe 100 per cent will be credited by the Southerner with a $2.50 rebate. The rebate is to be used to purchase a book that will be donated to the library in the homeroom's name. Students of the 100 per cent homeroom will autograph the book as a permanent record of their donation to the library.

The staff plans to publish the Southerner bi - monthly. All school publications must support themselves by the sale of subscriptions and advertisements; therefore the frequency of publication, number of pictures and other special features will depend largely on the success of the subscription drive.

The first issue is a sample of what readers may expect in future issues. The format will remain the same as today's issue, a tabloid, 5 columns by 16 inches. The tabloid was chosen as it is easier to handle and is the format of most school publications.

After this semester the Southerner's staff will be chosen by the faculty adviser from the journalism classes. Due to a lack of experienced journalists, the present staff is composed of students who were chosen for their willingness to work, scholastic and conduct grades of the previous school year. They will receive one-fourth credit each semester. Journalism I and Journalism II are worth one-half credit each; thus a student who is taking journalism and working on the paper at the same time earns three-fourths credit each semester. The staff meets the sixth period in the school paper room on the first floor.

The Southerner will be enter-

## *Charley, My Boy, Watch The Shower!*

**In the rough and tumble game of football, it is usually the younger boys who get hurt. After a tough scrimmage with big heavy boys tackling and blocking and jumping all over half back Charley Echols, the senior left the field without a scratch. As he started to take a shower, Charley ran into the door, bruising his side so badly that he went home bandaged quite naturally.**

## Election Monday For Cheerleader

Filing for Bellaire's first cheerleader election will be completed at 3p.m. today, when candidates turn in their verified forms to Mrs. Mauryne Dailey, dean.

The election will be held during homeroom Monday, September 19. Students will vote for three girls and three boys.

Candidates, presented by groups, will lead yells for the entire student body at a pep assembly in the auditorium at 2:45 p.m. Wednesday. Voters will have a second opportunity to see the candidates in action as they will lead yells at the first football game against St. Thomas, Thursday.

To run for cheerleader the student has to be either a junior or senior, have a grade average of C with no F's for the previous school year, and at least a G in conduct for each six weeks of the previous school year. Candidates' eligibility blanks must be verified by the registrar's signature and the payment of a $1.00 filing fee.

All campaign literature, signs, posters, and buttons have to bear the approval and/or the signature of the dean.

## To Vote, Students Need Poll Tax

Only holders of poll tax receipts will be eligible to vote in the cheerleader election next Monday and all other school wide elections.

Mrs. Jeanne Wootters, faculty member in charge of elections, said that some of the elections that would require a poll tax receipt for voting eligibility are the class favorite and officer election, next spring's cheerleader election, and the spring festival election. "So you see," Mrs. Wootters explained, "to have a voice in the running of your school, you must buy a poll tax just as you must buy a poll tax to have a voice in the running of your city."

The deadline for purchasing the 25 cent tax is Friday as the taxes have been on sale since September 7.

Each homeroom is a voting precinct with each room having its own ballot box. The Student Council representatives from each homeroom is in charge of collecting the money and issuing the poll tax receipts and compiling duplicate poll tax rolls. One roll is kept by the homeroom teacher and the other is sent to Mrs. Wootters.

The cheerleader election is technically a special election as it would normally be held in the spring. "Since there was no Bellaire High School last spring it is being held now so we will be ready for the football season." "We realize we are asking a lot of the homerooms here at the first," Mrs. Wootters commented, "but by next year we will have the best organized Student Council in the district."

Buy your football tickets at school and save. Tickets will be on sale in the ticket booth in the auditorium. No student tickets will be sold at Public School Stadium.

## Carillon Selected As Yearbook Name

The first edition of The Carillon, Bellaire High School's yearbook, will be issued the latter part of the spring semester.

Mrs. Kay Henderson, Carillon sponsor, announced the staff the first day of school and the name of the annual was selected. The "carilloneurs" are Wanda Phears, Judy Schaper, Pat Swanzey, Lynn Thompson, Bonnie Van Griethuysen, Nancy Hall, Ann Castellanos, and Donna Dreschel.

This first edition will have as its theme the memorable firsts at BHS such as the first football season, the first cheerleaders and the first graduating class.

The name carillon, pronounced ka-ril'-yon, is derived from a French word referring to a chime of four bells. The bells in a carillon are stationary and are rung by small metal hammers either mechanically or manually. Originally the carillon was used for sounding alarms and announcing religious services.

## BHS Latest Thing In School Design

by Diana Van Wagoner

It's big, it's beautiful, and it's modern. It's one of the two new high schools built in Houston since Lamar opened in 1937. It's Bellaire High School.

The architects were Golemon and Rolfe of Houston, A.I.A. and Milton McGinty, who is coordinating architect for the Houston Public School System.

The building is reinforced concrete construction with light-faced brick on the outside and tile interior with asphalt tile floors in the classrooms. Throughout the school is flource-

## Freshmen Plan Projects, Socials

The fears of the freshmen at Bellaire were dispelled last week when Mr. H. G. Andrews, principal, and Mrs. Mauryne Dailey, dean, gave the freshmen assurance that they were an integral part of Bellaire High School.

Next week the freshman class will meet in the auditorium to discuss class organization and possible freshman class projects.

The class will be represented on the Student Council, vote in all school wide elections and be eligible for membership in such proposed clubs as the Christian Student Union, the Hi-Y, the Band and Orchestra, the Future Homemakers of America, the Y-Teens, Junior National Honor Society, American Legion, and the sports clubs.

The freshman class will take turns performing the various services for the entire school. For instance the group will present an auditorium program each semester and each homeroom will present a morning devotional over the public address system.

The proposed social activities are a fall roundup picnic, a Christmas banquet to honor the

bellaire high school
1964-1965

many of the goals which were a part of the dream of establishing a great high school here in 1955, have been achieved to a creditable degree. the year 1965 finds us with a reputation for excellence in many areas: the academic, in that we have scored significantly high on all tests which seek to measure this growth:

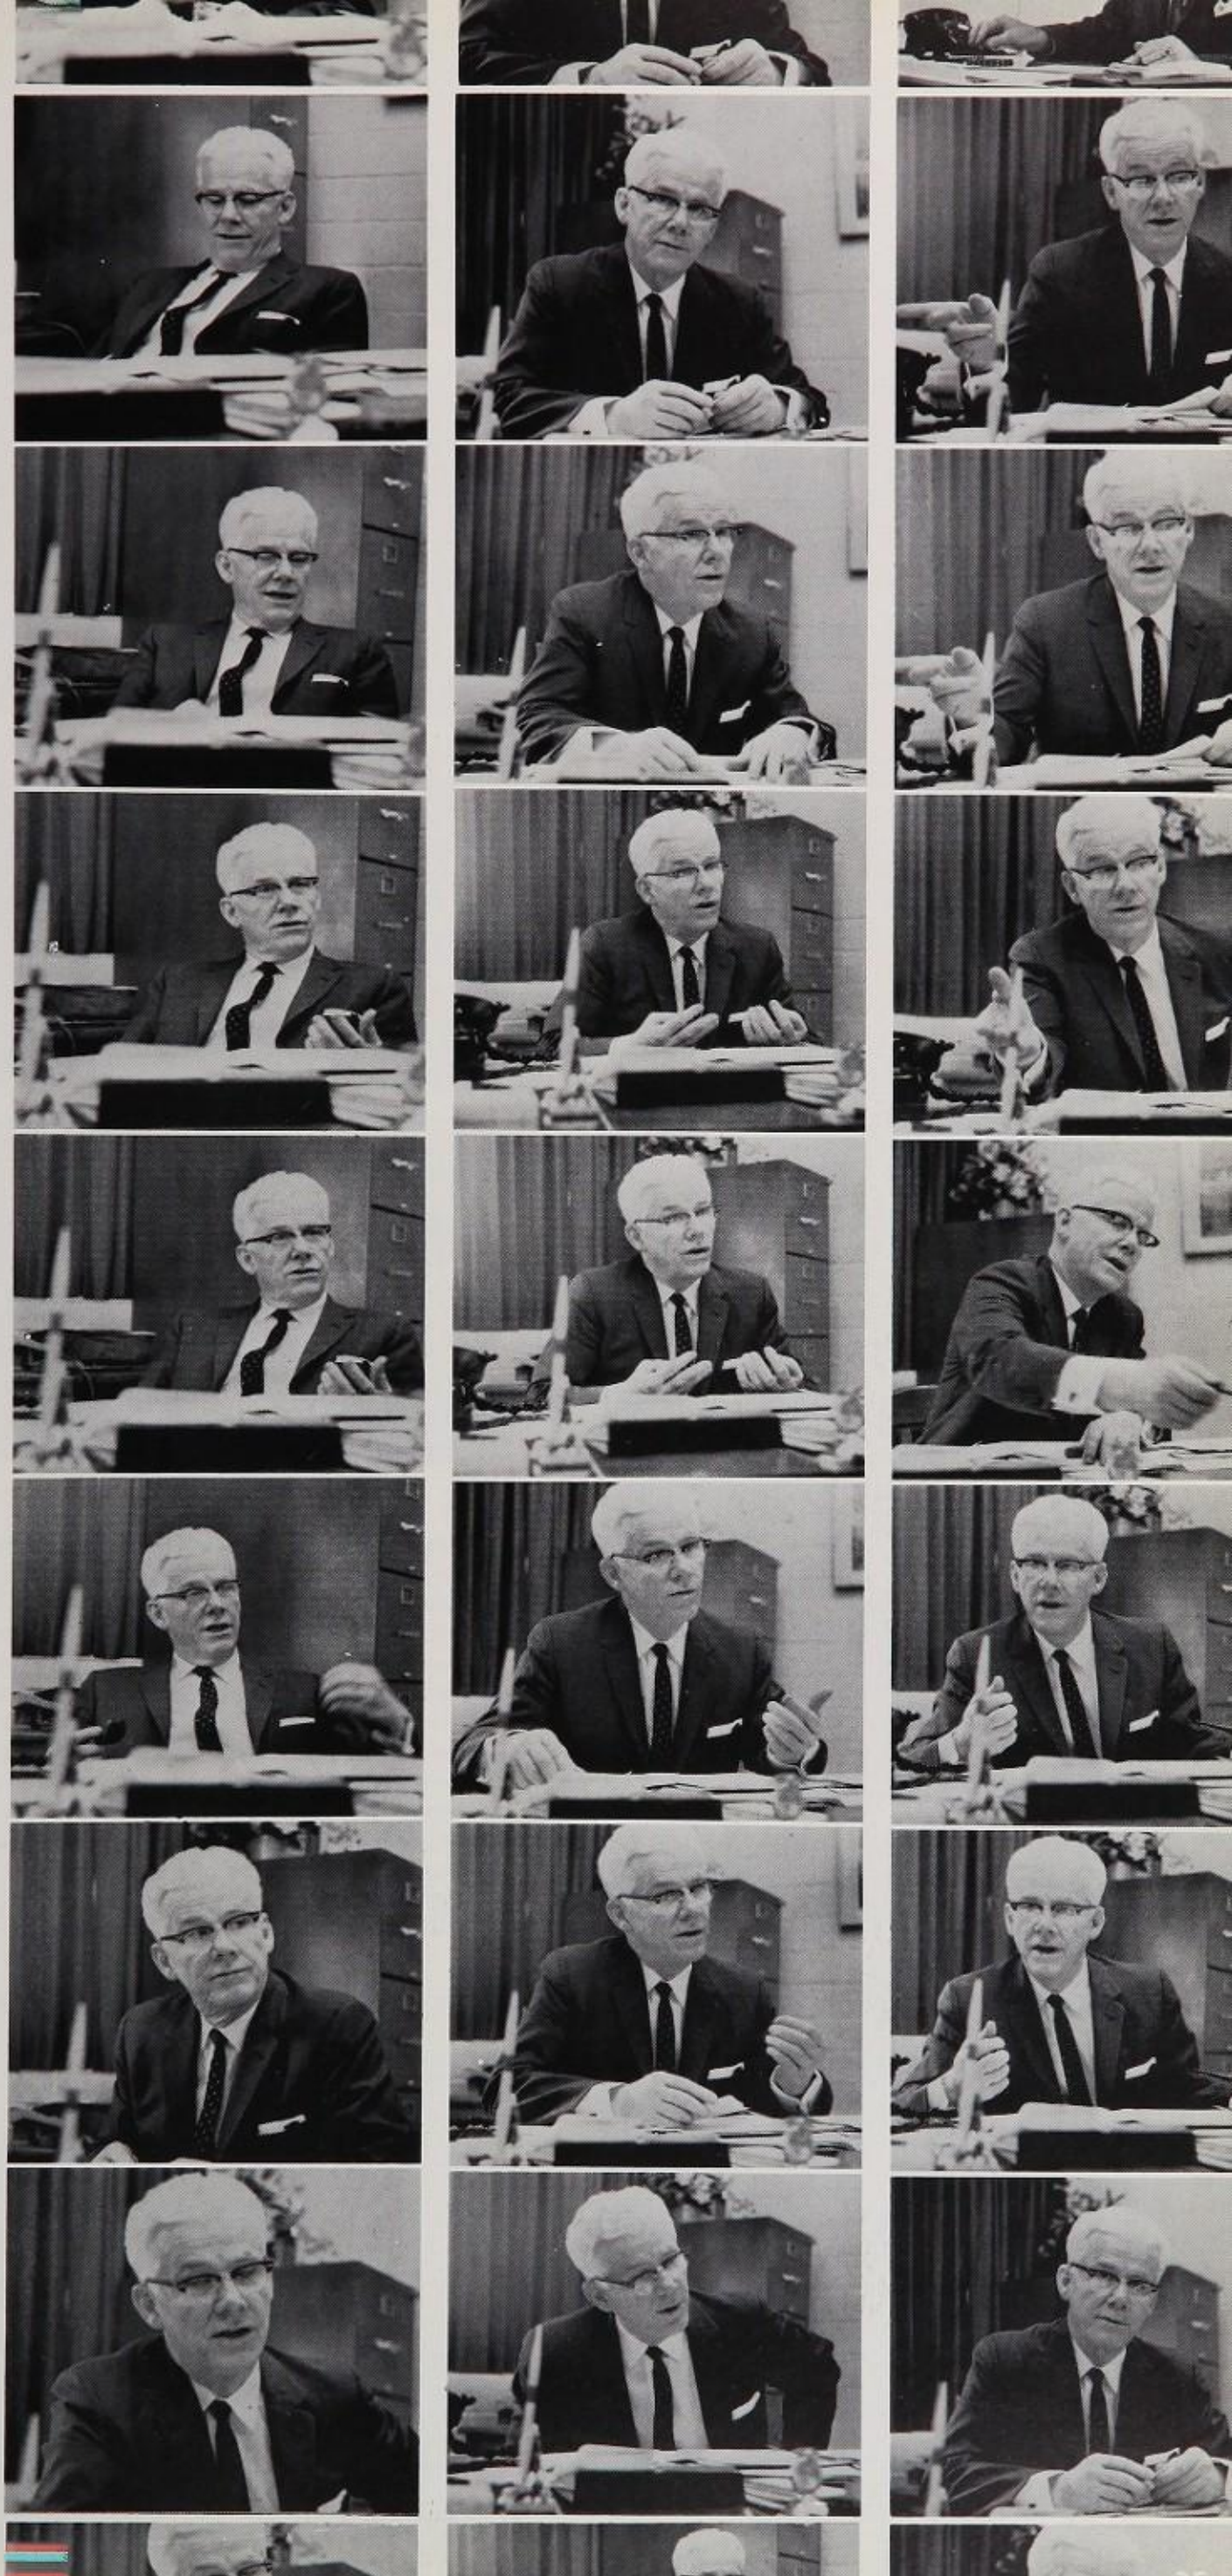
the athletic, in that we have been successful for more than our share of times . . .

in winning local, state, and national championships; and . . .

the spiritual, in that dedication to moral and ethical values of a high order have marked, to a considerable degrees, all of our activities. the most important measure of this school, however, can be made in answering this question: is this a school which seeks to stimulate and challenge young men and women to grow into great human beings? the direct influence that our graduates have and will have on the shaping of a better world is the answer we seek.

it is our faith that, in terms of this goal, our graduates will attempt great things, and achieve great things, and that the world will be a better place because of them.

harlan andrews
principal



○ bellaire high school today is far different from the beautiful empty building we entered in the fall of 1955. such events as these pictured here in the 1965 *carillon,* have given it life and meaning. the tenth year of the school has been in many ways its best, as we have continued in the tradition of excellence that characterizes the school. this year's students have made that tradition stronger than ever. the administration and faculty congratulate you, the class of 1965, on your achievements of the school year.

william r. reeves
assistant principal

○ this edition of the *carillon* marks a milestone of educational success. a decade ago, when the doors of this educational plant were opened, a goal was set for bellaire senior high school by an outstanding person. your principal, mr. harkan g. andrews, had great foresight and knew that bellaire high should be among the top ten schools with national recognition. we have enjoyed, and are very proud of our national standing. this accomplishment was made possible through the high goals and ideals set forth by the faculty and former students. it is to these people we owe a gratitude of thanks—but the job is only half done—getting this recognition is one thing, but to remain is quite another. you seniors, juniors, and sophomores have your work laid out for you. set your ideals and goals to reach great accomplishments, and you will be a successful person and make a place in our ever growing society.

ivv a. hollister
assistant principal

○ each year has been more challenging since I came to bellaire high school ten years ago as a member of the faculty which was composed of fifty-three teachers. being a part of such an organization, watching the growth of the school, participating in student activites, and knowing the faculty and student body has been a wonderful experience.

○ the high ideals and goals set by the eleven hundred students in 1955 are still these which the students of 1965 seek to attain. may each student strive to do his best for his own personal growth and may his achievements lead to a successful and happy life.

chemistry iii . . . claudia hayward

○ mr. jean hillin presents his p.s.s.c. physics class as a " . . . logical and integrated whole, and an intellectual and cultural pursuit of concepts and applications."

○ major works chemistry students, under the guidance of mrs. alice johnsen, use college texts and special lab supplements to investigate the basic concepts of the composition of matter on an advanced level.

○ major works biology classes endeavor to produce a general overview of the different life sciences. instructed by mr. w. c. hollingshead, students do technical writing and independent creative research.

○ the increase in the biology class sizes has made team teaching biology a new and necessary part of the science department. teams include two lecture teachers and a lab teacher. this arrangement allows each student better lab facilities; each teacher a superior and more thorough teaching opportunity.

mrs. nan dupont and miss mary lou mortlock teach major works civics, economics and history, adding depth and interest to the social studies program, emphasizing independent research, and encouraging independent thinking.

the team of mr. robson, mrs. sealey, and mr. clyburn offer a program in civics and economics, while mr. bill heaton, mr. david dillman, and miss barbara woods teach american history. weekly lectures and outside speakers present information concerning this field, while research projects required of the individual student supplement class room lectures.

Call me when you get a chance this summer. If I try I'll never get a hold of you. Promise me now.
You're a real inspiration Linda. I wish more people had a bubbly personality like yours. The world would be a happier place.
Good luck with your theater.

○ in the opening game of the season against corpus christi ray, bellaire managed to stay ahead with the first td of the game and a safety from scott haber's blocked texan punt. after a third quarter td plus two extra points, the game still held promise for a cardinal victory. only a fate propelled field goal, in the last fading seconds, led the texans to their slim 11-9 victory.

○ traditionally, bellaire has ranked high in swimming—and this year is no exception. at press time, we have won five out of the first six meets. the divers placed first, second, and third and the swimmers placed in the top five in the city meet. the team won the overall first place trophy in this city meet. according to coach schneider, by the time you are reading this, the team will probably have brought home a third or fourth place team victory in state.

there has been a great deal of interest in our society concerning the effects of certain groups which are known to speak in foreign tongues. we are devoted to reporting on such activities. recently a grave question has been formulated. who are los cardinales? the following copy is a report on our findings:

. . . dedicated to creating a new spanish republic north of the border . . . meetings monthly on pretext of being a spanish club . . . members indoctrinated by films and lectures . . . one of their most important contacts, the venezuelan consul secretary spoke . . . december banquet at molina's to celebrate *cause* . . . special agents, ingrid and al . . . in coalition with the spanish national honor society oriented the general public in april . . .

Linda,
It's been fun
knowing you
this year + it's been
great having you in Model
Dance this year. Be good + stay
as sweet as you are.
Lots of Luck
Cathi Murphy

Dear Linda -
It's been a lot of fun sitting next to you in class & I have to look at your pretty face. Good luck in the future.
Love
Sharman Johnston

Linda -
I have never seen such a busy person as you. I only wish I had the "spunk" as you do to do it. These are the things you remember all your life - so don't ever quit them - like play, etc. I know it's hard with school, but please keep it up. You have my purest champagne -
Best of luck - always -
Love, Gail

Linda -
For someone
as strikingly beautiful
as you are to grow
lovelier every day takes
a lot of beauty from inside -
and you have more than the
normal person's share. It's
awful to tell someone to stay the
way they are and never change,
so I'll ask you to keep growing
more beautiful - inside and outside -
every day of your life. It has been
a happier year, knowing you.
Sandy Gross

Dear Linda,
Just think - we have only
known each other for about a
year. It seems as if we've
been friends for such a long
time and I've loved every
minute. I sincerely wish you
the best of luck in future
years. I hope that we may
always be friends.
Love,
Nancy
